Dear Sir / Madam

## **RE: MEMBERSHIP OF THE WOODSTOCK IMPROVEMENT DISTRICT (WID)**

If you are an owner of a commercially zoned property situated within the area of the Woodstock Improvement District you can and should become a registered member of the WID.

By pooling resources, individual property owners contribute to the collective benefits of a well-managed area, a shared sense of communal pride, safety for all, and social responsibility. These are all matters that commercial property owners should be interested in, because in the end they translate into a tangible boost in property values and capital investments.

WID is committed to achieving these goals and making Woodstock a cleaner and safer place for all. By becoming a member, you positively back this collective effort and you have a say in the future direction of the WID.

As per the WID Articles of Association (para 4, Members) you are requested to supply the WID office with the information on attached page in order for a Membership Certificate to be issued. This is a requirement by the REGISTRAR OF COMPANIES.

We kindly request that you fill out the details and return the form to us via e-mail:

admin@wid.co.za.

Yours sincerely

Dr. Teun Baartman  
Chairman
